01 PROFILE

An ambitious college student, resourceful and tenacious in matters of academics, with a keen interest in Software Development and a consistent record of scholastic achievement. Enthusiastic about completing a Bachelor of Technology Computer Science and System Engineering from KIIT and B.S. in Data Science from IITM to enhance my ability to create solutions and to improve my problem solving skills. Currently with a strong foundation in java and c, with some expertise in backend such as Dotnet. Extremely motivated and dedicated to learning all sorts of technology and eventually be a part of something big.
